Schedule: Gym will be open at 8:00am for practice on Saturday. Gym will be open at noon for practice on Sunday. You must check in at least 30 minutes prior to your first event, or you may be removed from the event.

All events are 11 point games, best 3 out of 5. The tournament committee reserves the right to modify event formats and player entries. All unrated players, playing in USATT-sanctioned events, will be given an estimated rating for seeding purposes. However, unrated players competing in a USATT-sanctioned event will **NOT** advance out of their round robin to crossover competition, nor win awards (cash/trophy). The latest ratings from the USATT web site will be used, where possible. Do **NOT** enter events with the same start time.

Saturday Events 1-8: Open, U-2350, U-2150, U-1900, U-1750, U-1500, U-1250, and U-1000 will each be round robin groups that will compete with the top USATT-rated player, with the best record, advancing to crossover play (unrated players will not advance to crossover play). Ratings from the USATT web site on **October 2, 2009** will be used for the division cutoffs. However, the latest ratings available from the USATT web site will be used for seeding.

Sunday Event 9: Giant round robin singles will be limited to 54 players. It will be broken into six (6) groups of nine (9) players each based on ratings. The top 9 players will be put in the Class A division, the next 9 highest rated players will be put in Class B division, etc. The tournament committee reserves the right to determine where the rating cutoff will occur for each division and how many divisions will be played based on the number of entries. The latest ratings available from the USATT web site will be used. It is possible to have one division with 10 players and another with 8 players, if the disparity in ratings is too great to be competitive. Awards will be given to USATT-rated players with the best record. Unrated players will not receive awards.

Saturday Event 10: The Novice Singles RR is limited to non-USATT members. This is a non-sanctioned event and does **NOT** require USATT membership. This event will be limited to 16 players. Round robin groups will compete with the top player, with the best record, advancing to crossover play.
